

Items needed to design your logo

It would be best to leave the creative process to us. However, if you feel the need to have a say and be involved in the process; then the following will be needed.

- Your primary target audience: Example Caucasian basketball players between 19-25 years old, who live in the suburbs.
- Links or images of logo types and styles you would like yours to look like.
- Objects or things of value that you want included in the design.
- Contract to sign (will be sent to you later)
- Deposit to start project: It is usually about half of total cost. (Acceptable payment methods are credit cards, PayPal (be sure to create an account if you don't have one), money order and check.
